

Fred Louis Wham, Jr.

March 14, 1910 – March 13, 2006

Fred III Dad Dick
Navy Leave, May, 1944
436 Melrose
Centralia, Illinois

The life of Fred Louis Wham, Jr., our dad, is a life to celebrate! He lived a long life, blessed by the loving companionship of our mom, Grace, until November, 2005. As a family we savored the ups and endured the downs and “stayed on course”. Probably the only significant “down” was dad’s absence during WW II, after he enlisted in the U.S. Navy and served in the Pacific war and the early occupation of Japan. We are all proud of his service to our country.

With the help of the “angels” of St. Mary’s Hospice and the continuing support of Pastor Ed Evans and the members of the Presbyterian Church, he and mom lived out their allotted time at home, both dying peacefully in their own beds. This would not have been possible without the help of the ladies of Sunrise Home Health.

Thanks to all for your many cards, letters, emails, visits, calls, and memorial donations. On behalf of my brother Fred III, our wives, the grand-children and great grandchildren, thank you from the bottom of our hearts!
